MD of Bonnyville
4905 – 50 Ave
Bag 1010
Bonnyville, AB. T9N 2J9
Attention: Reeve **Barry Kalinski**

Dear Reeve Kalinski,

We would like to thank the MD of Bonnyville for providing sponsorship to the Cold Lake Women of Influence event on March 3, 2023. This important event in our community is a celebration of International Day of Women and a recognition of the amazing things our local women are achieving.

In sponsoring the Community and Volunteer Award, you receive 4 tickets which are enclosed and can introduce the award. We will need to know if you or a delegate will be making this presentation. In this presentation, you should speak about why the MD feels this is an important event and award to be recognized – usually about 2 minutes. Then the Master of Ceremonies, Stephanie Oleksyn will describe the criteria of the award and announce this year's recipient. Our photographer will then take a picture of you presenting the award.

The awards are uniquely created each year by a local female artist.

The evening starts at 7:00 pm with a networking, appetizer, and wine tasting, at 8:00 the ceremony will begin (seats will be award presenters will be saved at the front), after a break about 9:00 the keynote speaker will begin (this year Olympian, Beckie Scott) which is then followed by dessert, mingling and photobooth.

I look forward to meeting you at this event. Please let us know who will be making the award presentation.

Sincerely,

Audrey McFarlane
