Good day!

The Lakeland Society for Truth & Reconciliation is an Indigenous-led registered non-profit society that was founded by Indigenous members. It is made up of first and second generation Indian Residential School Survivors and their families, First Nations, Métis, and Non-Indigenous allies from the Lakeland area, who want to share their stories and advance inter-generational healing and reconciliation.

We ask for your support with our 50/50 Cash Raffle Fundraiser (AGLC Licence #629010) by purchasing tickets and/or sharing with your contacts, on Facebook, Twitter, Instagram, etc.

Simply scan the barcode below or go directly to the raffle website: www.rafflebox.ca/raffle/lakeland-truth

Tickets are sold in \$5, \$10, \$20 bundles. Payments accepted on the Rafflebox website are through a major credit card, Visa Debit or Mastercard Debit.

If the above payment options don't work for you, eTransfers are also accepted for payment. Please send eTransfers to LSTR.Raffles@gmail.com. Please be sure to include all of your contact information (name, mailing address, email address, and phone number) in the comments of your eTransfer so that we can complete the transaction and send you an email with your tickets.

You must be an Alberta resident or in Alberta at the time of purchase and must also be at least 18 years of age.

Your ticket purchases will support the work of Lakeland Society for Truth and Reconciliation. Ongoing activities include reconciliation talks, workshops, upcoming theatres, performances, and commemorative activities for the National Day for Truth and Reconciliation. We are also in the early stages of planning a "Community Healing Garden."

Our Mandate is:

- To create and support community activities/events that honour Survivors of Indian Residential Schools and to remember those who didn't.
- To foster an environment of truth telling with respect and understanding.
- To provide education/awareness relating to the impacts of Indian Residential School Survivors and their families.

- To embrace cultures and traditions of First Nations, Inuit and Métis People.
- To create a public space centered on healing and reconciliation that includes history, culture and traditional healing components; a place that is easily accessible to the general public and local schools.

Monetary donations are always welcome and can be sent to our mailing address (as indicated above) or by eTransfer to our main email address at LakelandTruthandReconciliation@gmail.com . Please include your contact information.

We humbly thank you for your support!!

Miigwech!
