RE: Personal Invitation to the 2023 Bonnyville Oil & Gas Show Opening Ceremonies

Dear Reeve Kalinski,

It is with great excitement that I write to formally invite you to the 2023 Bonnyville & District Oil and Gas Show's (BOAGS) opening ceremonies, taking place on June 20 at 6:30 pm and is sponsored by Pathways Alliance. The show will follow on June 21 & 22.

Bringing industry professionals together for the first time since 2019 is vital to the growth and prosperity of our region. The success of the service providers and the producers who enrich our economy and livelihoods is of the utmost importance to us and helps the Chamber achieve our mission of stimulating local economic growth for our members through advocacy, education, networking, and representation. The BOAGS is an opportunity to ensure we meet our mission and bring significant stakeholders of the oil and gas industry together to highlight future growth opportunities.

We would be honored to have you attend the opening ceremonies and show where we will be welcoming over 200 people including dignitaries, exhibitors, and sponsors. We recognize that even today, in our high-speed, high-tech world, a face-to-face conversation and a handshake remains the customary way to make a quality contact. This evening, in conjunction with our two show days, provides access to representatives from over 90 businesses, showcasing the latest technologies and services available to the industry.

On behalf of the Bonnyville & District Oil & Gas Show organizing committee and the Bonnyville & District Chamber of Commerce, I thank you for your consideration and look forward to hearing from you in regards to your availability.

Kindest Regards,
