Families never want or expect to need RMHC Alberta.

Yet **one in four Canadians** has stayed at a Ronald McDonald House or knows someone who has.

RMHC® Alberta's Mission

Calgary

Edmonton

RMHC Alberta supports families who need to travel long distances for their child's medical treatment.

Our Houses provide a home away from home so families can focus on what matters most: being with their sick or injured child.

Your Sponsorship/Donation

Your investment in RMHC Alberta is directed to a complete support system needed by families with sick children. The unexpected costs that can add up during a medical crisis are extensive. By supporting RMHC Alberta, you are connecting your investment to an entire network of accommodation and services that will provide relief to families.
