Attention Municipal District of Bonnyville Council

RE: 2023 Property tax payments – Vantage Point Resources Inc.

We are hereby requesting that Vantage Point would be able to make payments for the 2023 tax amount owing via equal installments between now and the end of December, 2023 without any interest or penalties. To that extent we are enclosing our first instalment of \$26,175.12. Further payments can be made with a series of post date cheques or via auto withdrawals from Vantage's bank account beginning on July 30, 2023. For the 2024 tax year, we can then proceed further with this by going on auto withdrawal for the 2024 tax year beginning in January of 2024.

We would appreciate your willingness to accept this proposal and would ask that you advise as soon as possible.

Sincerely,

Robert Hemminger
Chief Financial Officer
