Title:	Policy No. 4A.005 Snowplowing of Driveways Policy – Amendment

PROPOSAL

Council adopted a revised Snowplowing of Driveways Policy on December 14, 2022. This policy was to become effective for the fall of 2023. Changes to the policy included an age change and a resident lacking the means of clearing snow from their driveway. Administration has determined that the inclusion of the “lack of means” may be too vague in definition and is proposing the removal of that criteria.
