Request for Decision (RFD)

Meeting:	Regular Meeting of Council
Meeting Date:	September 26, 2023
Originated By:	Bryan Bespalko, General Manager of Infrastructure Services
Title:	Policy No. 4A.005 Snowplowing of Driveways Policy – Amendment

PROPOSAL & BACKGROUND

Council adopted a revised Snowplowing of Driveways Policy on December 14, 2022. This policy was to become effective for the fall of 2023. Changes to the policy included an age change and a resident lacking the means of clearing snow from their driveway.

Administration has determined that the inclusion of the “lack of means” may be too vague in definition and is proposing the removal of that criteria.

This amendment was presented at the Committee of the Whole meeting on September 19, 2023, with the recommendation from the committee that Council approve the amendment as presented.
