Re: Penalty forgiveness for Roll #6102262001

Dear Councilman, this is my formal request for the forgiveness of the tax penalty of \$239.70, applied to our 2023 Combined Assessment and Tax Notice for the Roll number list above. Reason for this request is that a cheque was mailed out, and dated August 8, 2023, for the amount of \$1997.37 and was not received.

I have record from on my end that this cheque was printed as cheque number 601 and dated August 8, 2023. This was mailed off the same day as our personal tax assessment cheque, also dated August 8 and posted through on August 28, 2023. I believe this the cheque to be lost.

Full payment with penalty, in the amount of \$2237.07 was made through on-line banking October 18, 2023, therefore I am requesting the return of \$239.70.

I can be reached at 780-826-0944 if you have any additional questions.

Kind Regards,

Allison Benoit.

Hello MD council,

I am asking that my tax notice penalty of \$498.13 be waived and refunded or put as credit for next years taxes. I missed paying them on time because I never received a notice. My physical address was used when my house was purchased as I did not have a post office box yet and therefor never received them. The only reason I found this out was because someone from the MD left a Notice of assessment questionnaire at my door and I signed up for monthly payments for my taxes. I then received a phone call from Tina saying I owed money and would have to be in good standing to sign up. So I paid them in full including the penalty the same day. I would appreciate this one time leniency for missing the payment deadline.

Thank you
