

APPENDIX C

Sept. 18, 2023.

Municipal District # 87

Attention to Council & Tina, spoke to her.

I told her about my health problem because I just came home on Sept. 16/23 after surgery & have permanent disability issues & more doctors App'ts & Blood work & X-rays. I'm sorry I'm delayed in paying the Tax Bills on time because I always paid my Bills on time & thought it was Due in October 2023.

Like other years before. Because of my Health issues & lost my Husband

13 years ago, its very difficult because I pay all my utility bills by Direct ~~with~~ withdrawal, but I prefer to pay taxes at my Bank direct from my Bank Acc't.

They need my Roll Number 6209351001

& 6209351001 Due Am't. \$148.97

Roll # 6109252001 Am't Due \$97.56

Tina said I have to send you a letter regarding my situation & why I didn't pay taxes before due date. I request to cancel my penalty. It would be greatly appreciated

Thank You!
