STEPPING STONES
Crisis Society

Dear MD Bonnyville,

On behalf of Stepping Stones Crisis Society, thank you for your kind support and your donation in support of our programs. Please keep this written acknowledgment of your donation for your tax records.

Since the Stepping Stones Crisis Society was formed our main priority has been to provide safe and secure shelter and support to women and children in crisis, to assist individuals and families by providing resources and community support, and to educate the public and create partnerships to prevent family violence and build stronger communities. It is a direct result of contributions from people like you that we can offer all these services to families in Cold Lake, Bonnyville, and the surrounding communities.

We know that our efforts are only possible because of the contributions we receive from generous donors like you, and we thank you again for making all this possible.

Sincerely,

Susan White
