3100				False	Beartrap Plant area	1/2/2024	Amber Ozaruk	Road Concerns	After hours call Dec 31: Message: Please call re: calling from Jackknife Oilfield. I've had our drivers let us know that at Range Rd 442 off of Hwy 659 there is some pretty bad freezing rain that is icing up the roads.	Jessie Przekop	Done		True	2023-12-31
3101	Officer Andexer			False	491 NB TWP 610	1/2/2024	Amber Ozaruk	Signs	After hours call Dec 30: Message: Please call re: stop sign missing at this intersection	Emie Mercier	Daryl & Josh		True	2023-12-30
3102		CNRL		False	471 & 472 S. Hwy 55. and 473 N. Twp 622	1/2/2024	Amber Ozaruk	Road Concerns	roads in area very washboard and rough	Emie Mercier	Jacob		True	2024-01-03
3103				False	420 Bordering Settlement	1/3/2024	Amber Ozaruk	Road Concerns	Road needs grading	Craig Slywka	Kevin		True	2024-01-04
3104				True	Lakeview Village	1/4/2024	Tanis Ponath	Other Concern	There was a contractor in the area doing some work for a resident - the resident is concerned that the contractor made a mess of the ditch and hit one of the light posts which is now leaning.	Jessie Przekop	Spoke to caller, light pole was damaged before and has minimal damage. We can try to straighten the pole in the spring.		True	2024-01-08
									Requires a grader. called back Jan 5 to say					

3105				False	The road going past 60413 RGE RD 475A	1/4/2024	Tanis Ponath	Road Concerns	that [REDACTED] seen grader tracks but he did not blade the road, he just drove with his blade up. When Craig asked operator Wilson, he stated no issue with the road, and is unsure of why [REDACTED] made a complaint. Ernie to check the road when he returns.	Ernie Mercier	Bryan went to check on Jan 5. He agrees with the grader operator, no issues the road is fine. We are only blading where there is washboard	True	2024-01-08	
3106	[REDACTED] t	[REDACTED]	[REDACTED]	False	Fort Kent Fill Station	1/4/2024	Tanis Ponath	Other Concern	The area around the Fort Kent water fill station is a skating rink - very icy from individuals over filling. The resident is also concerned that the meter is out - which may be causing the overfilling.	Lyle Treleaven	Notified Kelly to check into this.	Kelly verified meter is working properly and will be spreading sand in icy areas.	True	2024-01-05
3107	[REDACTED]	[REDACTED]	[REDACTED]	False	[REDACTED]-604	1/5/2024	Amber Ozaruk	Road Concerns	Hey Mike. It is [REDACTED]. Still having issues with the grader operator. He went the other day and did the one mile to [REDACTED]. Now he did up to [REDACTED] and then high bladed the rest to the corner and is gone. Not sure what he is doing. He didn't do a good job the last time either. Dec 6 the was the last time he was here. Caller made a similar complaint in July 2023	Ernie Mercier	Bryan went to check on Jan 5. No issue and road is in good shape. We are only blading where there are washboards.	True	2024-01-08	
			780-		[REDACTED] 415a		Amber		Says 4-5"	Craig	Called again Jan 17 stating [REDACTED] phoned a couple weeks ago". Says [REDACTED] really needs [REDACTED] driveway
