RE: LETTER OF INTENT TO UPGRADE RANGE ROAD 464

To whom it may concern;

Per the MD of Bonnyville's direction, Canadian Natural Resources Limited (CNRL) will upgrade Range Road 464, at CNRL's cost, for access to the proposed 10-16-63-6 W4M heavy oil wellsite. CNRL will upgrade 759 meters of the range road north from Highway 55 to the specifications provided by the MD of Bonnyville. The 10-16 project is tentatively scheduled for Q3 2024, with the upgrade of range road to be undertaken at the same time as construction of the wellsite.

Yours truly,

Canadian Natural Resources Limited
