Dear MD of Bonnyville,

On behalf of Stepping Stones Crisis Society, I would like to sincerely thank you for your recent donation to our organization.

Since the Stepping Stones Crisis Society was formed our main priority has been to provide safe and secure shelter and support to women and children in crisis, to assist individuals and families by providing resources and community support, and to educate the public and create partnerships to prevent family violence and build stronger communities. It is a direct result of contributions from people like you that we can offer all these services to families in Cold Lake, Bonnyville, and the surrounding communities.

Again, thank you for making all this possible.

Sincerely,

Susan White
