

## Presents Lobsterfest 2024!

Lobsterfest will be **Friday May 10<sup>th</sup>**. This is a closed event and tables can be purchased based on availability. Last year's attendees receive first choice/option of renewing their table. Should you wish to purchase a table it is a first come first serve until the tables are sold out. You have the option of being put on our waiting list and can remain on it from year to year if you choose. Again, it is a first come first serve with the same rules that apply regarding attendees. Once the attendee forfeits their table or additional tables are added depending on the location of future events, you are in!

The table must be paid in advance of the event. Should you cancel before the money or invoice changes hands, you will be removed or go to the bottom of the list. Once the money has been received or invoiced it is up to you to fill the table. Contact Terry Straile for Table Sales. For additional information contact either of the Chairpersons. Contact information is at the bottom.
