S/Sgt. Sarah Parke
Detachment Commander
Bonnyville, Alberta

Dear Reeve Kalinski,

Please find the quarterly Community Policing Report attached that covers the January 1st to March 31st, 2024 reporting period. The attached report serves to provide a quarterly snapshot of the human resources, financial data and crime statistics for the Bonnyville Detachment.

I would also like to introduce you to Deputy Commissioner Rob Hill, the new Commanding Officer of the Alberta RCMP. Deputy Commissioner Hill has had a diverse and wide-ranging RCMP career, spanning from the Prairies to the Arctic, with positions along the way that have included Drugs Section in Winnipeg and as the former Detachment Commander of Stony Plain (now amalgamated in to Parkland). With public safety as the beacon guiding our operations, Deputy Commissioner Hill is focussed on community engagement; Reconciliation; employee wellness; and recruiting new police officers and retention. Deputy Commissioner Hill is proud to lead your Alberta RCMP and looks forward to meeting you in the future.

Your ongoing engagement and the feedback you provide guides our Detachment team, and supports the reinforcement of your policing priorities. I always remain available to discuss your community-identified policing priorities and/or any ideas you may have that will enhance our service delivery to address the priorities that are important to you. As the Chief of Police for your community, I invite you to contact me should you have any questions or concerns.

Community Priorities

Priority No. 1

Priority (this field expands)

Crime Reduction - Property Crime

Current Status and Results (this field expands)

We had only a handful less MV thefts this fiscal year than last so unfortunately we did not meet our target goal, despite best efforts. One of the things the Bonnyville RCMP promoted for MV theft was Operation Cold Start (where Bonnyville Detachment was recognized for having the most contacts with vehicle owners/drivers than any other Detachment in K DIV). We also enlisted Auto Theft's assistance and made use of the Bait Truck a couple of times this fiscal year. It was successful in charging 3 known offenders with theft of the truck. Theft of MVs will continue to be monitored on next fiscal year's APP.

Priority No. 2

Priority (this field expands)

Community Engagement

Current Status and Results (this field expands)

Community Engagement and School Visits continued regularly throughout the school year. Members allowed proactive school visits take a back seat a bit this fiscal year but any time a school requested our presence or participation we had a member attend.
