ID	First Name	Last Name	Location	Created	Category	Concern	Action Taken	Action Complete	Further Action Taken	Completion Date	Ward
1	Cornerbrook	Kennels	█████-643	2024-04-02 12:48	Flooding	culvert needs steamed ASAP	Completed	TRUE		2024-04-03	Ward 6
2	█████	█████	La Corey Willow Prairie Hall	2024-04-02 13:34	Culvert	The culvert location in La Corey at the entrance of the Willow Prairie Hall is very damaged and dangerous. The resident would like to see the culvert fixed.	On Jul 17, 2024 Foreman added "no safety concern we will fix after the bigger priority's are done" Asked to put this concern back on the list to address in spring 2024	FALSE			Ward 4
3	█████	█████	Shay Cho Bay Boat Launch, North Shore Heights	2024-04-03 10:59	Signs	"NO EXIT" sign broken off and laying down in ditch	Completed	TRUE		2024-04-04	Ward 2
4	█████	█████	465 N. Twp 622, West Side (Pines)	2024-04-03 11:47	Brushing	Trees encroaching near stop sign/intersection, have to pull way into intersection to stop and look for oncoming traffic. Is having to pull ahead 1-2 car lengths to see. Our crew in that area currently, maybe we could brush it back and make it safer.	Foreman talked to nearby landowner and they would like it trimmed. Their ██████ almost got hit at the intersection on ██████ bike, due to lack of visibility of the overhanging spruce. ██████ will trim with pole saw.	TRUE		2024-04-04	Ward 4
5	█████	█████	RR 464 S. Twp 630	2024-04-04 8:43	Flooding	Water backed up, not flowing through culverts	Completed	TRUE		2024-04-04	Ward 4
6	█████	█████	611A West 461	2024-04-04 10:36	Flooding	Culverts plugged	Completed	TRUE		2024-04-04	Ward 2
7	█████	█████	Crane Lake Road	2024-04-05 8:56	Other Concern	Wondering if we can assess the roadway for additional guardrails to be installed. Believes the ditches are very steep and a car would roll should they slide off the road.	Foreman called ██████ Apr 12 and let ██████ know we will look at the slopes and come up with a solution. Foreman to survey slope ratio next week.	FALSE			Ward 5
8	█████	█████	Beartrap Road	2024-04-05 9:26	Road Concerns	Beartrap road is icy and they are requesting some sand. Concern phoned in by Jacknife Oilfield	Completed	TRUE		2024-04-05	Ward 1
9	█████	█████	█████ North Shore Heights, Pine Street	2024-04-08 8:39	Flooding	culvert needs steamed	Completed	TRUE		2024-04-08	Ward 2
10	█████	█████	Int. of 443/640 (Entrance to East Campsite, Crane Lake)	2024-04-08 10:26	Flooding	culvert frozen, water running over road	Completed	TRUE		2024-04-08	Ward 5
11	█████	█████	█████	2024-04-08 10:28	Other Concern	Looking to buy used railroad ties. Not sure if this is something we can do	Foreman called ██████ and told ██████ we do not have any	TRUE		2024-04-09	Ward 1
12	█████	█████	█████	2024-04-08 15:46	Used Culvert	Would like culverts donated to the Cold Lake Motorcross Association	Manager approved donation of several culvert lengths -Apr 11. Foreman will arrange pickup. Picked up Apr 16th: 5mx600x2, 3m x600, 6m x600, 6m x500, 5m x500x2, 4m x500x2	TRUE		2024-04-16	Ward 6
13	█████	█████	█████ 49th Ave	2024-04-09 13:08	Other Concern	Street light out in Ardmore - located across from 4803-49th Avenue.	reported online to ATCO	TRUE		2024-04-09	Ward 5
14	█████	█████	█████-444	2024-04-10 14:04	Road Concerns	Noticed a peg/survey marker/rebar/iron of some sort sticking about 2" above the road surface. Is enough to wreck a tire, which ██████ already has. ██████ has spray painted it to warn the neighbors.	Staff out off off steel with chop saw	TRUE		2024-04-10	Ward 5
15	█████	█████	Ardmore Store Back Alley	2024-04-10 14:59	Flooding	3 days ██████ has been dealing with us and has not gotten an answer as to what we will be doing in the back alley behind the store. If we cannot do anything, ██████ would like a phone call and ██████ will perform the work	Foreman checked runway at 7:30am and did not find any pieces. Spoke with medevac and found the long green bar near apron, will be returned to the medevac owner.	FALSE			Ward 5
16	█████	█████	Airport	2024-04-11 8:02	Airport	Location: Airport runway - piece of metal on runway Message: Please call re: They believe a rod came off the wing this morning during take off	Foreman checked runway at 7:30am and did not find any pieces. Spoke with medevac and found the long green bar near apron, will be returned to the medevac owner.	TRUE		2024-04-11	Ward 1
17	█████	█████	█████-442	2024-04-11 8:59	Brushing	Some brushing and road allowance clearing was done near ██████ property, and was wondering if we are returning to the area or if the project is completed? The west side looks great, but the east side in front of home is full of lumps and stumps ██████ cannot mow as ██████ used to. We also left a temporary construction sign in the area.	Foreman called ██████ back, the reason the east side is not as clean is because a dozer would not fit there. It has been well mulched, so some small stumps remain. ██████ is not impressed and will be calling ██████ councillor.	TRUE		2024-04-17	Ward 1
18	█████	█████	Marie Lake, Lot #█████	2024-04-11 10:02	Flooding	Subdivision is flooding from the melt again, ██████ basement is full of water. Was dealing with us last year	Foreman visited the site Apr 11, noted this is not an MD issue that caused ██████ to flood, as ██████ has a very low walk-out basement near a lake. Foreman left a message with ██████ Apr 15 to explain that the approvals for the master drainage plan are still in the province's hands and we have no authority to enter private land.	TRUE		2024-04-15	Ward 6
19	█████	█████	465 N. Dupre Road	2024-04-12 9:29	Dust Control	Has issues with the dust in the area, caused by steady heavy oil traffic. Is often like a thick fog hanging it is so dusty. I passed along that we have had several complaints in the area, can we please call ██████ back once we've come up with a solution.	Foreman talked to ██████ @ CNRL. ██████ will be applying dust suppressant in front of residences. Called ██████ to let ██████ know it will be done, ██████ would like to see the whole road done.	TRUE		2024-04-15	Ward 4
20	█████	█████	█████-472	2024-04-12 10:24	Other Concern	Very large spruce tree leaning (more now with the winds this past week). The resident is concerned if it did fall, it would block ██████ road access. The tree is located just south of ██████ property on the range road.	Completed	TRUE		2024-04-24	Ward 4
21	█████	█████	623/430	2024-04-12 11:22	Flooding	Water is still not running after the work we did there last year. Believes it would require 2 additional culverts to function properly. Please call		FALSE			Ward 6
22	█████	█████	█████ RR 433	2024-04-12 13:57	Road Concerns	█████ contacted Brian requesting recycled asphalt be put on ██████ half mile road for dust control and minimize the amount of mud being dragged onto driveway.	GM directed ██████ to reach out to his Councillor Dana Swigart with ██████ concern.	TRUE		2024-04-12	Ward 5
23	█████	█████	█████-465	2024-04-12 14:10	Flooding	The residents property was part of the water mitigation project at Birch Grove approximately 8 years ago. At the time ██████ was informed that the M.D. was going to clean-up the flood damage on ██████ property - it has not been completed yet and ██████ is worried about the fire hazard (lots of fallen, dead trees).	Foreman spoke to the resident, ██████ bought the property in 2019, and was told by the original owner that the MD would clean up the trees. Other neighbors told ██████ the same. Previous manager did tell foremen to clean the area once it dries up, since the stagnant water was our responsibility. Talked to management and we are not to go on private property. Foreman talked to ██████ again to let ██████ know, ██████ is concerned that the area poses a fire hazard.	TRUE		2024-04-25	Ward 2
24	█████	█████	SW 31-62-3 W4M	2024-04-15 8:16	Culvert	Councillor Swigart called in on ██████ behalf ██████ farms ██████ (land) (RR440 east side just off 630) The approach isn't good and needs to be looked at come spring.	Concern was pushed to be revisited in the Spring.	TRUE	Let ██████ know that the landowner is not ██████ it is ██████ He will have to talk to P&D dept. to register for a new approach.		Ward 5
25	█████	█████	473 N. 622	2024-04-15 10:03	Road Concerns	Road is getting beat up by oil traffic, but lately it seems ██████ road is sandy. Regular vehicles cannot pass through it is so soft and silty.	Will put 1 1/2" gravel on the soft spots	TRUE			Ward 3

26			TWP RD 630	2024-04-15 14:39	Road Concerns	The resident is concerned that with the new lease built on TWP RD 630 (across from the Iron River Bin Site) the increased oilfield traffic is damaging the road. [REDACTED] also stated lots of mud is tracked on the road from the lease site.	We put 120H last fall and it fell apart. Will have to pick it up and add oil to it. As for the mud, I will talk to CNRL.	TRUE		2024-04-16	Ward 4
27			Hwy 55/RR 480	2024-04-16 7:42	Signs	Issue: Stop Sign down Location: Hwy 55 and Range Rd 480 Message: Please call re: Stop sign knocked over and driver fled the scene	Foreman confirmed it was an Emoon issue and passed it on to them.	TRUE		2024-04-15	Ward 4
28			623 W. 424	2024-04-16 9:14	Road Concerns	Road is very soft and believes it needs upgraded	Frost is coming out. Benny bladed it.	TRUE		2024-04-18	Ward 6
29			[REDACTED]-612	2024-04-17 15:09	Other Concern	The M.D. owns a parcel of land adjacent to the landowners property - they are wondering if we would be able to come in and remove some of the dead trees that have fallen on their property.		FALSE			Ward 2
30			[REDACTED] RR 480	2024-04-19 10:52	Other Concern	Someone drove over [REDACTED] approach with a wrecked tier - seems to be on the rim only and gouged up her approach. [REDACTED] would like it fixed.	Foreman contacted resident to inform [REDACTED] that the damage reported was minimal and does not warrant repair as it is only cosmetic.	TRUE		2024-04-23	Ward 4
31			TWP Rd 620 & RR 445	2024-04-22 10:51	Road Concerns	RR 445 is starting to get pounded out.	Foreman looked at it and signs were put up. They will fix road Apr 23.	TRUE	Road repair completed	2024-04-23	Ward 4
32			[REDACTED] RR 424	2024-04-22 15:14	Flooding	Plugged culvert and water is going over his driveway. Would like it fixed		FALSE			Ward 6
33	Mike	Krywiak	Intersection of RR 492 & TWP Rd 630	2024-04-22 15:26	Other Concern	Hi Had a call that Atco is leaving wood from trees that they blocked, in MD ditches. This could be a hazard. Please tell Atco to clean up their wood. Some south of intersection RR 492, TWP 630, and other areas in Goodridge. Thank you. Mike	Foreman called ATCO, they will have their job's contractor [REDACTED] clean it up. Photos attached.	TRUE		2024-04-24	Ward 3
34			[REDACTED]-421	2024-04-22 15:51	Road Concerns	The street sweeper was working by the residents property today. [REDACTED] has a concern that it did not do a good job and there are still lots of tiny rocks on the road in front of [REDACTED] property. Please give a call back.	Foreman called [REDACTED] back to explain that due to the chip seal area, the broom was not functioning on that type of surface and was stalling out the brooms. This chip seal was an agreement between council and the developer, it is falling apart. Resident was not happy!!	TRUE			Ward 6
35			[REDACTED] RR 474	2024-04-23 11:09	Road Concerns	A tractor caught on fire on RR 474 last week and there is still a lot of debris in the ditch and glass left on the road. The tractor is also still in the ditch and this is causing an unsafe road.	Foreman checked the area, the burnt tractor is parked on private property, not in MD ditch. Sent Staff to clean the debris and glass.	TRUE		2024-04-24	Ward 2
36			North Shore Heights	2024-04-24 11:02	Brushing	There are some dead trees lining the fence surrounding the park/pickleball area at North Shore Heights. [REDACTED] was told by the MD last year that residents should not be cutting them and that the MD can handle it. They have had to move some off the fence that had fallen and were wrecking the fence. Could we out and clean this area to keep the community area in good condition?		FALSE			Ward 2
