Bonnyville, Alberta, T9N 2J7

Dear Reeve Kalinski:

**RE: Corrected Notice  
Beaver River Regional Waste Management Commission – Intended 2024 Requisition**

We are following up to correct an error that was made in the letter sent to you on April 16, 2024 wherein it was noted that the allocation of the 2024 Requisition to the M.D. of Bonnyville No. 87 would be 26.61 % of the \$150,000.00 = \$39,915.00. Unfortunately, this calculation was in error, the correct allocation of the requisition to the M.D. of Bonnyville No. 87 should have been **23.61 %** and the total requisition should have been **\$35,415.00**

The correct allocation of the requisition will be as follows:

City of Cold Lake	41.83 %	\$ 62,745.00
<b>Municipal District of Bonnyville No. 87</b>	<b>23.61 %</b>	<b>\$ 35,415.00</b>
Town of Bonnyville	33.71 %	\$ 50,565.00
Summer Village of Pelican Narrows	0.50 %	\$ 750.00
Summer Village of Bonnyville Beach	0.35 %	\$ 525.00

We have enclosed a corrected invoice for \$35,415.00, please disregard the one mailed April 30, 2024.

We apologize for any inconvenience caused by this error in the original calculation.

Should you have any questions, please contact the undersigned at (780) 826-5732.

Sincerely,
