

2024 1st Quarter Review

Transportation

Monty Doonanco – Manager of Transportation

Roadside Brushing & Ditch Improvements

- A Request for Tender was posted January 30th detailing 7 separate roadway locations, totaling 21.6km.
- Tender was awarded March 13th & work is scheduled to begin in August.

Drainage Improvements

Received regulatory approval on:

- Culvert on TWP 604 East of RR 422
- Culvert on RR 422 North of HWY 897 (fish bearing)

2024-2026 Dust Suppressant Supply & Application

- The contract involving approximately 65km of gravel road over 3 years was awarded on April 18th.
- Applications of dust suppressant will begin in June 2024.

A dark, nighttime photograph of a road. A white line is visible on the left side of the road, and a yellow reflective marker is visible on the right side. The background is dark with some faint lights.

2024 Line Painting

- A Request for Tender was released February 26th detailing 241 km of various line barrier types, as well as crosswalks and airport runway and staging markings.
- The contract was awarded May 1st, 2024.

Pit Reclamations: Medley Pit

- Continued to fill end pit lakes
- Continued to level crusher reject piles
- Work ongoing
