Dear Bryan:

Re: Sewer Lagoon Effluent Disposal Usage Fees – MD Domestic

Council, at the Regular Council meeting held May 28, 2024, provided all three readings to Amending Utility Bylaw No. 1569-24 which has updated the sewer lagoon effluent disposal usage fees for MD domestic sewer disposal to \$60.00 per disposal. This rate will be effective once subsidized by the MD of Bonnyville in the amount of \$112,500.00 for 2024 to ensure total cost recovery for the Town.

The Town will review the commitment required from the MD on an annual basis to ensure total cost recovery for providing this service to MD of Bonnyville residents.

If you have any questions, please contact me at 780-826-3496.

Yours truly,
