Subject: Haying in the 30s

Good morning,

Haying in the 30s is once again asking the MD of Bonnyville Council to participate in serving the Beef on a Bun Supper on August 3, 2024, on the site grounds in Mallaig.

Please forward the invitation to Council. I would appreciate their responses by July 9 Council meeting.

As always, they are welcome to come speak to me about the event if they would like.

Thank you,
