2024 ALMS Scholarship

*Be awarded \$2000 for **YOUR** project!*

The ALMS scholarship presents an incredible opportunity for undergraduate and graduate students whose projects focus on topics related to aquatic sciences.

This scholarship not only recognizes the importance of this field, but also supports and empowers the next generation of leaders in lake management and environmental stewardship. By offering this scholarship, ALMS is investing in students' education and also in the future of our water resources.

If you are (or know of) a student enrolled in a Canadian university or college and have a passion for making a positive impact on our water resources, don't miss the chance to be awarded the 2024 ALMS Scholarship!

Find out more: alms.ca/scholarship/
