

APPENDIX A

Municipal District Bonnyville No. 87

June 12, 2024

Attention: Council Members and CEO of MD Bville. 87

Subject: Interested in purchasing NE-8-60-4-W4th at public auction with the OPTION to match the highest bid or match the appraised value.

Presently I [REDACTED] am renting the NE-8-60-4-Wth from the MD of Bville. #87. Our family have been renting this property since we started leasing the crown land surrounding this specific quarter section in 1967. Our catching corrals are located on this rental quarter section. This MD quarter is a key location to unload our cattle every spring and collect them in late October. I would be very interested in purchasing the NE-8-60-4-W4th from the MD of Bville #87 if the council is interested in selling it . I would also be willing to cut my 5 year rental contract short to purchase this property.

Thank you for your time.
