Dear Friends & Neighbors:

RE: PARADE FLOAT ENTRIES

We would like to encourage as many community groups, businesses and individuals to join us in entering a float in the Glendon's Derby and Mudbogs' parade on Saturday, August 10, 2024. The parade begins at 10:00 a.m. from in front of the school.

Registration is not required, and parade entries are free!

There is no parade theme. However, we would like presentations to be decorated to be "parade worthy." Even just some balloons would be great!

We will award prizes for best entries in Best Community Group, Best Business, Best Derby Vehicle (reminder derby vehicles must be trailered) and Best Children's entry.

Parade participants should meet in front of the school at 9:30 a.m. in order for the parade to commence at 10:00 a.m. Once the parade is completed, participants are asked to meet in front of the school for the presentation of prizes.

We want the parade to be another great way to join in the fun of Glendon's Derby and Mudbogs! Please give our contact information to anyone you think might like to participate. We look forward to seeing you at our parade!

Sincerely,

Glendon Village Office
