3545			No	-415 & TWP 620 which intersects to location	7/2/2024	Road Concerns	Gravel has been washed away. It is slippery, filled with potholes.	bladed July 3/24. Road has been added to the gravelling map for gravelling program.		Yes	2024-07-03
3546	Voicemail	No Name	No	RR 444 & TWP 624 N of 64	7/2/2024	Road Concerns	A lot of potholes. In need of repair, it's in rough shape.	Attended location, could not find anything. Tried to call and there was no answer.		Yes	2024-07-11
3548			No	-480A	7/3/2024	Online Flag	Grader Flag	Completed by		Yes	2024-07-04
3549			No	-480A	7/3/2024	Online Flag	Grader Flag - Next door for	Completed by		Yes	2024-07-04
3550			No	-64-5-W4	7/3/2024	Road Concerns	The resident owns -64-5-W4 and neighbour on the -64-5-W4 has blocked access to quarter with trees. I believe was looking for something to potentially be done to remove the trees that were brushed. In addition, the MD access road to this property is the Tucker Lake Road - the lives on the property and stated the road after the second boat launch is very rough and hard to access with smaller vehicles. There is large rocks and potholes.	spoke with and neighbor. neighbor came in and we reviewed the boundaries on overhead maps. neighbor is confident isn't on our undeveloped row. I informed and will speak with the neighbor as it appears to be a property line discrepancy.	is working on this, he spoke with this morning. First request will take some time for resolve, and 2nd request he explained that the road isn't ours to the homeowner.	Yes	2024-07-17
3551			No	RR 491 & TWP 610	7/4/2024	Signs	Stop sign is missing	Completed by		Yes	2024-07-05
3552			No	S. Muriel Lake, Elk Road	7/4/2024	Other Concern	In the subdivision on the south side of Muriel Lake, residents throughout the years having been "filling in their ditches" so that they are able to mow them. The resident who phoned in would like to do the same and was calling to see if it was possible. would like to add some black dirt and grass seed.	went out and looked at the ditch. He told him that filling the ditch would interfere with drainage and he understood.		Yes	2024-07-10
3553			No	-472 on highway 660	7/5/2024	Online Flag	Please grade driveway	Completed by		Yes	2024-07-08
3554			Yes	-61-7-W4M corner of TWP & RR	7/5/2024	Road Concerns	Homeowner requesting gravel in the approach and repairs with grader. Would like a call from the Foreman as previous owner chewed up some of it with a rototiller.	talked to on July 8 and advised it is our approach and it does need gravel, we will add. Completed by .		Yes	2024-07-08
3555			No	-425	7/5/2024	Flag	Grader Flag is out	Completed by		Yes	2024-07-11

3565			Yes	-451A	7/9/2024	Brushing	Crew was brushing, [REDACTED] thinks it was Peavach. They cleared the powerlines and [REDACTED] spoke to them and confirmed they would do a small patch by [REDACTED] driveway. They did not do the patch by [REDACTED] driveway and [REDACTED] would like to know why.	Peavach was working for ATCO. [REDACTED] called him and advised.		Yes	2024-07-09
3566			No	49th Avenue	7/9/2024	Other Concern	We made a trench on [REDACTED] neighbors lawn in the back lane and now they can't mow it or weed whack it.	[REDACTED] called [REDACTED] back and explained [REDACTED] will come take a look. [REDACTED] also advised some work in the lane was being subcontracted and [REDACTED] was happy with that response. This has been cleaned - July 11/24		Yes	2024-07-09
3567			No	on TWP 590 to the east of RR472	7/9/2024	Road Concerns	Needs 3/4 gravel again - pothole settled or washout out from all the rain. Still looking to have tree's trimmed at this location. Last called in May, and we did fill the hole but did not complete the tree trimming.	[REDACTED] looked at it July 10 and gravel is good. Will send the brushing crew to clear the trees when they are available.		Yes	2024-07-12
3568			No	-465 (Hillside Estates)	7/9/2024	Road Concerns	During the winter the grader pushed a lot of the gravel from the top end of [REDACTED] driveway away. [REDACTED] is requesting we drop some gravel and [REDACTED] would skid steer and move it around.	[REDACTED] looked at it and it needs gravel, Completed by [REDACTED]		Yes	2024-07-10
3569			No	-451 - Lessard Bridge (Hill)	7/9/2024	Road Concerns	Lessard Bridge - Going up the hill (took 12 min instead of 3 because of how bad the road is with holes).	Completed by [REDACTED]		Yes	2024-07-10
3570			Yes	49 Avenue - Fort Kent	7/9/2024	Other Concern	[REDACTED] would like us to explain why the subcontractor working on catch basin's in [REDACTED] area is using wooden shims. [REDACTED] feels this is a waste of taxpayer dollars.	[REDACTED] returned [REDACTED] call and discussed.		Yes	2024-07-09
3571			No	Airport	7/10/2024	Airport	Airport website weather hasn't been working for a while.	Concern forwarded to [REDACTED] for resolve.	IT has been working on this request [REDACTED] is staying in touch with them. The system keeps failing the day after repair. This is ongoing.	Yes	2024-07-10
3572			Yes	-443	7/10/2024	Road Concerns	We have had signage for rough roads for over a year. [REDACTED] mentioned [REDACTED] talked to Councilor Swigart and was advised to have everyone in the area call in. Please call [REDACTED] to discuss. Just south of [REDACTED] property is heavily wash boarded. [REDACTED] said nothing has ever been done at this location.	Sent a grader to fix up the washboard. [REDACTED] spoke with [REDACTED] would like to have the road re-done. [REDACTED] explained that it is not currently on our list.		Yes	2024-07-10
3573			No	-61-2W4	7/10/2024	Road Concerns	There is a mud hole that forms where we removed trees a while ago and is asking for some gravel in that spot. By the porta potty	Complete		Yes	2024-07-16
3574			No	Fontaine Subdivision	7/10/2024	Other Concern	There is a "Public Walkway" in the Fontaine Subdivision that goes to the lake - the resident said it is very overgrown where you cannot make it all the way. [REDACTED] was wondering if it was the MD's responsibility to keep the path open.	Not ours, sent to Parks.		Yes	2024-07-11
3575			No	-410A	7/10/2024	Dust Control	Dust Control requested, cannot see because of our gravel pit activity.	Sent [REDACTED] with water truck. We will need to MG30 this. - [REDACTED]		Yes	2024-07-11
3576			Yes	Whispering Spruce	7/10/2024	Other Concern	The resident phoned in wondering what [REDACTED] we could do about one of the approaches that access [REDACTED] property. The road is approximately 2 ft. higher than the approach and they have to use a board when accessing it especially with trailers. Please give him a call back so [REDACTED] can explain.	Completed by [REDACTED]		Yes	2024-07-25
