

PROCLAMATION

Climate Stability Awareness Week November 2-8, 2024

WHEREAS, we know that the weather may change from day to day;

AND WHEREAS, the climate is relatively consistent from year to year;

AND WHEREAS, there is little to be concerned about, as the earth's climate is very predictable;

AND WHEREAS, to counter the constant drumbeat of climate change activism;

NOW THEREFORE, I, Barry Kalinski, Reeve of the Municipal District of Bonnyville, do hereby proclaim the week of November 2-8, 2024 as

"Climate Stability Awareness Week"

in the Municipal District of Bonnyville.

Barry Kalinski
Reeve
