On behalf of the ADOA, I would like to extend our gratitude for the generous donation of the candle, toque, mug and deck of cards to our recent silent auction.

Thanks to you, we were able to raise \$3064.00 which will go directly to Alberta Dreams to help fulfil a dream for a child in Alberta that suffers from a life-threatening condition or severe chronic illness.

Silent auctions are a fun activity and much enjoyed by our members. The generous contributions from the donations and the keen buyers have made this year a great success and we are so proud.

Looking forward to seeing you at next years conference in St. Albert!

Warm regards,
