<b>Title:</b>	Policy No. C-3A.023 Provincial Dock Application and Municipal Consent Policy – New

### **PROPOSAL**

Administration is proposing that a policy be adopted to provide guidelines for the M.D. to evaluate requests for written consent needed by M.D. residents for applying to the Government of Alberta to place temporary seasonal docks and other mooring structures on waterbodies where the M.D. owns the waterfront or semi-waterfront land.

### **DISCUSSION**

This policy provides guidelines for Administration to consistently and efficiently evaluate and process requests for written consent from non-waterfront property owners seeking to install temporary seasonal docks where the M.D. is the waterfront or semi-waterfront property owner, as part of applications to the Alberta Government.

A copy of the draft policy was circulated internally for review and recommendation; there were no concerns.
