

Leslie Kwiatkowski

To: Leslie Kwiatkowski
Subject: FW: 657 blading

Emcon is putting a bid together for a 10 year contract to maintain all the highways in Cma 507 which includes the gravel portion of 657 from Kehewin across to Hwy 659. Approx. 10.4 kilometers. Blading would take place only when directed by the local foreman. Grader rate would be by the hour for the time spent. Emcon would install the GPS system at there cost. Any questions please give me a call.

Thanks

Les Kwiatkowski
