Hi Lisa,

In our letter of request the minimum we are seeking is \$33,850. This amount only allows us to bridge funding for a few months. So, we are seeking \$50,000 to hopefully allow us to operate for the full term and give us a bit of a buffer to find alternate funding.

We would be willing to schedule as a delegation for the extra \$16,150 if needed as well. We were also just waiting on word from the council to see where we were at with the request.

I hope this gives more clarity, please let me know if you have further questions

Kendra

Good afternoon Kendra,

I am seeking some clarity regarding the attached request for funds totaling \$67,700.00, split between the MD and the Town of Bonnyville.

While watching the delegation you gave to the Town Council on February 11, 2025, I noticed that it was mentioned you would be requesting \$50,000 from the MD, as opposed to the \$33,850.00 suggested in the letter.

Could you please confirm whether you'd prefer us to present the letter to Council and request the \$33,850.00, or if you would like to schedule a delegation at a Council Meeting to request the \$50,000.00, as mentioned during the Town Council meeting?

We look forward to your guidance on how to proceed

Thank you for your time and assistance.
