

2024 4th Quarter Review

Transportation

Monty Doonanco – Manager of Transportation

Snowplowing

- Higher than usual freezing rain events, coupled with extreme fluctuations in temperature have made snowplowing and road maintenance operations challenging this season.

Roadside Brushing & Ditch Improvements

- Our contractor completed the project consisting of 21.6 km of brush clearing.

MD of Bonnyville Regional Airport

- # of flights in Q4: 351
- Landing fees charged: \$15,664.00
- Aircraft parking fees charged: \$305.00
- Vehicle parking fees charged: \$1,460.00

Industry Requests

Year in Review

- Our department processed 805 industry requests throughout 2024, servicing 33 individual companies. Requests include pipeline/other crossings, proximity notifications, decommissionings, consents, releases, approach usage, temporary work areas, reclamations and numerous other requests.
- This total has increased for 2024, with the average between 2020 and 2023 being 500 requests.

A wide, empty asphalt road stretches into the distance under a bright, hazy sky. The road is dark and textured, with a white line visible on the right side. The sky is a mix of light and dark clouds, with a bright area near the horizon. The overall scene is a vast, open landscape.

Road Use Agreements

Year in Review

- Our department processed 208 Road Use Agreements throughout 2024, issued to 87 individual companies and/or users. This includes bulk agreements, which include multiple routes covered under one agreement.

A wide-angle photograph of a dirt road stretching into the distance. The road is flanked by tall grasses and some dry brush. In the background, a dense line of trees shows vibrant autumn colors of yellow and orange, interspersed with evergreens. The sky is filled with heavy, grey, textured clouds, suggesting an overcast or stormy day.
