Good day,

Thank you to **Municipal District of Bonnyville No. 87** for choosing to continue your support of the Cold Lake Regional Chamber of Commerce.

As we enter a new year, we would like to present you with the opportunity to share with other Chamber Members some of the services that your business offers.

We are excited to share the launch of our new Chamber Perks App. The Chamber Perks App is free with your chamber membership. With a quick tap, your company and employees can save money and help increase sales by marketing perks to other chamber members, their employees, and general users locally.

Your company and employees can also stay connected and access our chamber business newsletters and register for upcoming events 24/7. The app makes it easy to keep up on advocacy efforts and stay informed about what is happening in our business community.

If you have any questions about this opportunity or any other Chamber opportunities, please call the Chamber office. You can also visit our chamber website for up-to-date information www.coldlakechamber.ca

Thank you for your continued support!
