Join us for our AGM

Connect with fellow producers, learn about our latest research and projects, and help shape the future of agriculture in our region. This is your chance to engage with experts, share your insights and discover new opportunities for collaboration. Whether you are a long-time member or new to LARA, your voice matters. Come be a part of the conversation.

We have Producer Director Elections taking place this year for both Smokey Lake County and the MD of Bonnyville seats.

See you there!
