Dear Reeve & Council,

I want to express my sincere gratitude for your donation to STARS. Thanks to the support of people like you, STARS was able to save my life.

When STARS came into my life, it was another beautiful day. My wife and I were supposed to meet our family at the campsite, but they got a flat tire. We went back to help, and as I was under the truck adjusting the spare, the jack slipped. Suddenly, I felt a tremendous weight—the truck was on top of me. Instantly, I knew I was in grave danger. Thankfully, STARS was on their way in minutes. I was relieved to know I was in the best possible hands.

Most people will never need STARS, but your support allows them to always be ready for the ones who do. People who are facing urgent, life-threatening situations, often in remote areas. Your \$12,000.00 donation provides essential assistance to you and your community whenever and wherever it's needed most. STARS gave me a second chance at life, and today I can continue making long-lasting memories with family and friends. STARS was there for me that day because of allies like you. Thank you!

Sincerely,

Scot Lykins
