Subject: LICA: Water Availability Engagement - Phase 2

Hello LICA Members,

Our office received an email from Alberta Environment and Protected Areas, regarding Phase 2 of the Water Availability Engagement Session. For those who may be interested in sharing their feedback, please see the information below. Please note that this activity is not eligible for stipends or mileage reimbursement, as it is not considered a LICA initiative. It is, however, an opportunity to provide feedback.

Thank you.

Hello all,

In addition to our earlier correspondence, we would like to invite you and members of your organization to join us at an in-person engagement session regarding proposed amendments to the Water Act to increase water availability. The invitation is to water using sectors to enable a cross-sectoral discussion.

The sessions will include sharing information on the proposed changes, an opportunity to ask questions, and an opportunity to provide your feedback and input. In preparation, we ask that you review the [Discussion Document on Enhancing Water Availability – Engagement on Proposed Amendments to the Water Act to Improve Availability](#) and come prepared with any questions or feedback you may have.

In-person sessions will be held over the coming weeks in Red Deer, Grande Prairie, Calgary, Brooks and Lethbridge. A virtual session will also be offered. The same information will be shared at all sessions.

Please use the links below to register for a session that works best for you:
