Subject: It's Smile Cookie Time! Let's Spread Some Sweetness Together

Hello!

It's that time of year again — the **Tim Hortons Smile Cookie campaign** is just around the corner, and we're so proud to share that **100% of the proceeds from local cookie sales will once again support Hearts for Healthcare!**

From **April 28 to May 4**, every Smile Cookie you purchase will help fund essential programs and services that support our healthcare professionals, patients, and local facilities. We're so grateful for your continued support in helping us create a healthier community, one cookie at a time.

👉 **Want to get involved?**

There are a few ways to join in the fun:

- **Pre-order cookies** for your workplace, friends, or family — the form is attached!
- **Send smiles across the community** We'll deliver your cookies to local healthcare workers or first responders on your behalf - **Ask us for a list of potential recipients, we have the inside scoop on #'s so everyone is Smiling** 🍪 😊
- **Volunteer with us!** Whether you want to help decorate cookies, deliver orders, or distribute posters, we'd love to have you on board. [Just fill out the form to get started.](#)

**Fill out the form and return to me or take in to the Tim Hortons location you wish to pick up from on the day that you choose. (Mall or Walmart location only)

If you wish to pay in advance, that must be done through the H4H office via cash, e-transfer or credit card - stop in, call, text or email 780-812-1312 coordinator@heartsforhealthcare.ca before April 23rd. Otherwise you can pay at pick up at your chosen Tim Hortons location but your pre-order **MUST be brought in 48 hrs in advance please.

I have included a graphic for social media and a poster if you would please post and share.

Thank you for being such an important part of our Hearts for Healthcare family. Your support means the world — and this campaign wouldn't be the same without you.

Have a lovely day

Kari
