**Subject:** Bonnyville Gear Grabbers appreciation and invite

Good morning Robin,

I just wanted to pass on my appreciation to the CAO for meeting with me on Tuesday. It was a pleasure to meet Ben and hear his ideas on our event. I look forward to working with him in the future on this exciting initiative.

I will be dropping off a poster and admission tickets before the event. We would like to invite the CAO and any member of the Council to the event. We can provide a special VIP tour for them.

Truly a pleasure working with you,
