

## LEGISLATIVE ASSEMBLY OF ALBERTA

May 6, 2025

Brian McEvoy, Chairman  
Bonnyville Regional Water Services Commission  
PO Bag 1006, Bonnyville, AB T9N 1A1  
By email: [bmcevoy@town.bonnyville.ab.ca](mailto:bmcevoy@town.bonnyville.ab.ca)

Dear Chair McEvoy,

I was pleased to hear of the approval of the Bonnyville Regional Water Services Commission's project under the 2025 Water for Life funding stream. The project, which includes engineering for the Regional Waterline Extension Phase 2, is a critical piece of infrastructure for the region and represents a significant provincial investment of \$1,039,468.50.

The Government of Alberta remains committed to supporting local infrastructure that enhances public services, creates jobs, and drives economic growth across Alberta.

I would like to coordinate an official announcement for this project with your municipalities and the Bonnyville Regional Water Services Commission. Until such an event is arranged, I ask that this news not be made public.

Please contact my office at 780-826-5658 at your earliest convenience to begin planning the announcement.

Sincerely,

Scott Cyr, MLA  
Bonnyville-Cold Lake-St. Paul

**Cc:** Honourable Devin Dreeshen, ECA, Minister of Transportation and Economic Corridors  
Mayor Elisa Brosseau, Town of Bonnyville  
Reeve Barry Kalinski, Municipal District of Bonnyville No. 87
