Subject: Your Feedback Needed: Review of Alberta Police Funding Model

Hello,

In 2020, the Government of Alberta introduced the Police Funding Model under the new Police Funding regulation to establish an equitable, transparent and sustainable model for provincial policing. At the time, the Government of Alberta committed to conducting a review of the Police Funding Model after five years. In accordance with this commitment, the Government of Alberta has engaged MNP LLP (MNP), an independent accounting and consulting firm, to conduct the Police Funding Model review.

In the coming weeks, MNP will provide several opportunities to participate and contribute your feedback on the Policing Funding Model, including feedback on the method for allocating costs, concerns with the model, and suggested improvements or changes for the future. Your input will help develop recommendations influencing the future of the Police Funding Model.

You will be invited to provide your feedback through the Police Funding Model Review Survey and to participate in a regional feedback session. Sessions will include remarks by the Honourable Mike Ellis, Minister of Public Safety and Emergency Services and a breakout session to provide feedback on the current police funding model, identify concerns with the model, and suggest improvements or changes for the future.

All survey responses will have the option to remain anonymous and will be reported back to the Government of Alberta in a 'What We Heard Report' through consolidated themes and findings without attribution to any individuals.

After collecting stakeholder feedback through the survey and sessions with elected officials, administrators, and expert interviews, MNP will analyze the feedback and independently review the Police Funding Model. This review will include actionable recommendations for fairness, shared fiscal responsibility, and sustainability.
