Hustle for the House - REGISTRATION NOW OPEN!

In Person: Calgary, September 28th

Virtual: September 20 - 28th

One in four Canadian families is or knows a family who has needed to stay at RMHC.

Across the province families are travelling to access vital medical treatments, from oncology to transplant to neo-natal intensive care, these families need a space to be together and close to the care they require.

Join us as we celebrate the spirit of determination, resilience, and community with RMHC Alberta in a family-friendly athletic adventure where everyone can participate! From start line to finish line, each step provides support to families with sick children who have had to travel for pediatric care.

This event is meant to be shared with family and friends, knowing that each time you take a step you're lifting the burdens faced by medical families who need to be close to each other.

Ronald McDonald House Charities Alberta knows how to keep families together, and this event is your chance to spend time on the streets or trails with those you love, while making a big impact!

In fact – our Calgary event brings you up close and personal to the actual Ronald McDonald House where families and volunteers will be cheering you on!

Rally your friends, family, and fellow running enthusiasts, and get ready to HUSTLE FOR THE HOUSE!
